

Fluoridex Daily Defense

The New Fluoridex Daily Defense.

No other prescription strength fluoride toothpaste can offer both the strength and sophistication that Fluoridex Daily Defense can. The strength of maximum daily fluoride protection in a sleek & sophisticated upscale package.

Fluoridex Daily Defense 1.1% Neutral Sodium Fluoride 5000/ppm Gel Toothpaste is excellent for patients with active decay or a history of decay. This includes xerostomia induced caries, orthodontics, poor oral hygiene or circumstances that make it difficult to remove plaque. It also is perfect for patients with dentinal sensitivity. Fluoridex Daily Defense is available in our office in two incredible flavors - - Clean Mint and Fresh Fruit, ask Deanna for more details!
